

SCHEDA TECNICA DEL SISTEMA - SYSTEM TECHNICAL CARD

Serie: **SLIDING 1200 tt**

Profilati estrusi lega: **6060 UNI 9006/1**

Tolleranze dimensionali e spessori: **UNI 3879**

Applicazione vetro: **con fermavetro normale o arrotondato con tagli a 45° o 90°**

Camera per vetro: **variabile secondo i profilati usati**

Dimensione base del sistema:

Telaio fisso sezione mm 120 - mm 184

Telaio mobile sezione mm 50

Accavallamento Telaio/Anta: **mm 9 (mm 14)**

Impiego: **il sistema permette la realizzazione di alza-ante scorrevoli**

Series: **SLIDING 1200 tt**

Extrude profiles alloy: **6060 UNI 9006/1**

Dimensional tolerances and thickness: **UNI 3879**

Glass installation: **with normal or rounded glass keeper with 45 or 90 degrees cutting**

Glass chamber: **varying according to the use profiles**

Basic system dimensions:

Fixed frame section mm 120 - mm 184

Mobile frame profile mm 50

Overlap between Frame and Wing: **mm 9 (mm 14)**

Employment: **the system allows the realization of sliding lifting-wings**
